

Unit Construction Details.

QUALITY MATERIALS.

All of our bedroom units are made from 18mm MFC board with a solid 18mm back. High quality painted steel sided soft close drawers. 110 degree soft close hinges.

CHOICE OF FINISHES.

We offer a vast array of standard sizes and finishes but also can manufacture any bespoke size of unit required.

TAILORED MANUFACTURING.

Made in our own factory in South Derbyshire to ensure a high quality product with the flexibility of being able to offer a individual tailored bedroom solution to each client.
